**Description**

City Council is requested to approve Amendment No. 4 to Maternal, Infant, and Early Childhood Home Visiting 2 (MIECHV2) Grant Agreement. The original Agreement and Amendments No. 1, 2 and 3 were approved by Council in 2013, 2014, 2015 and 2015, respectively. MIECHV2 is the second grant agreement with the Minnesota Department of Health (MDH) to expand the current Healthy Families America (HFA) program. These federal dollars fund national evidence-based home visiting models, including this program, which is targeted towards at-risk pregnant women and first-time parents.

The term of the Agreement remains December 1, 2012 through January 31, 2016. However, this Amendment increases funding by \$25,000, for a total not-to-exceed value of \$405,223.

Amendment No. 4 will not require an adjustment to the Public Health Budget.

This Amendment has been reviewed and approved by the City Attorney's office.
